Current NADAC Rules

There have been several rule changes as of Jan 1, 2006. Changes affecting the Special Skills Classes are listed below. For a full listing and description of all the changes please refer to the NADAC web site.

<http://www.nadac.com/rules.htm>

Proficient/Skilled Categories:

Each class will be split into two categories, Proficient and Skilled. In the Skilled Category, dogs may opt to jump 4" lower than indicated by the current jump height table. (No dog may jump less than 4") Dogs jumping 4" lower will get the SCT of the lower jump height.

Dogs must be entered in one category, either Proficient or Skilled, for the entire weekend.

Non-Jumping Classes

Veteran or Disabled Handler:

Handlers aged 60 or older, or who have a disability that restricts mobility, may opt to enter the non-jumping classes as a Veteran Handler and receive 10 % more standard course time. In non-jumping classes, this option is for Veteran/Disabled **handlers** only.

*** The Veteran/Disabled handler division is to give additional time allowance to handlers, because of their age or mobility limitations. When entering as a Veteran/Disabled Handler, you must enter **all dogs, in all classes** for the entire trial in this Division.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACagility@yahogroups.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACagility@yahogroups.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
